Dear Parents,

As you know, this 2018-2019 school year Waterford Township School District has joined in a consortium with the Folsom and Hammonton School Districts to establish a Special Education Parent Advisory Group (SEPAG).

We held our third advisory group meeting on March 20, 2019. We had some parents, as well as a number of our staff, attend the meeting. There was a guest speaker and a great discussion, which included an exchange of ideas, concerns and information.

Our fourth meeting for this school year is scheduled for **Wednesday, May 8, 2019 at 6:30 pm**. It will again be held at the Warren E. Sooy Jr. Elementary School, in the media center. The address for the school is: 601 N 4th St, Hammonton, NJ 08037.

You are invited and encouraged to attend the meeting and participate in the discussion. As a group member you will be involved in making recommendations on special education policy. Our goal is to work together to improve our programs and policies and to better meet the educational needs of our students and their families.

This will be our final SEPAG meeting for this school year. Please consider joining the advisory group. Your input, suggestions and recommendations are valued and appreciated. We want to provide a forum for teamwork, collaboration and a proactive exchange of ideas.

If you have any questions or concerns, I can be reached at 856-767-8293 ext. 3018.  
Hope to see you there.

Best Regards,

Dr. Mary Stansky  
Director of Student Personnel Services for Waterford Township Schools
