Dear Parent/Guardian:

It is our pleasure to offer the children of Waterford Township an opportunity to be part of a preschool program for three and four year olds. A student's age is defined by his/her age on 10/1/17. This highly successful, inclusive program has proven to be an enriching opportunity for all of the children involved. During the 2017-2018 school year, we will offer four half-day classes. There will be a combination of three and four year old children in each class.

The half-day classes will have up to 15 children and will meet five days per week for approximately two and one half hours per day. There will be no cost for the program for the parent/guardian, and no transportation will be provided.

One significant change for the 17-18 school year will be the enforcement of the attendance policy (5200-Attendance) for the lottery students. Any general education student with more than 7 unexcused absences will be removed from the program. We ask that if you anticipate your child will miss more than 7 days for reasons other than illness, you do not participate in the lottery.

If interested in enrolling your child in this program, please complete the form on the reverse side and return the signed form to the Pupil Personnel Services Department by May 22, 2017. Only children born on or before October 1, 2014, will be eligible for the preschool program. Children born on or before October 1, 2012, are eligible for kindergarten. Participants in the program will be determined by a lottery drawing. Students in this year's program must re-enter the lottery. Age and gender will be equally divided through the lottery. Parents/guardians will be notified by mail whether or not their child has been selected.

If you have any questions regarding this program, please contact me at 856-768-3957 ext 3018. Please feel free to share this letter with any resident of Waterford Township who has preschool aged children.

If you would like to attend the lottery drawing, it will be held on Thursday, May 25, 2017 at 9:30 AM at the Waterford Elementary School.

Sincerely,

John Lavell, Supervisor
Pupil Personnel Services/Guidance
