CHOICE PROGRAM:

Waterford Township School District is an elementary school district located in the southeast corner of Camden County. The Atco Elementary School houses kindergarten and grade one. The Thomas Richards Elementary School houses pre-school, second and third grades. The Waterford Elementary School houses fourth, fifth and sixth grades. Secondary resident students attend the Hammonton School District under a send/receive agreement which is located in Atlantic County but is adjacent to Waterford Township.

The mission of the Waterford Township School District, in partnership with our community, is to provide each student with an efficient and comprehensive education in a safe and supportive environment that fosters the pursuit of life-long learning.

We will provide an education that develops the intellectual, emotional, social and physical potential of each student. We will encourage the development of personal strengths, promote a positive self image and an appreciation for the uniqueness of individuals. Our goal is to develop students who are capable of meeting future challenges, while becoming healthy, ethical, contributing members of a global society.

The Waterford Township Public School District staff teaches to assure mastery of the New Jersey Student Learning Standards.

DISTRICT CHOICE POLICIES	YES/NO
a. The district accepts Tier 2 students (see definition below).	YES
b. The district gives enrollment preference to students who have a sibling currently attending the choice district, provided they will enroll in a choice-approved grade/program and they meet any program-specific criteria.	YES
c. The district gives enrollment preference to choice students who have completed the terminal grade of the sending district (i.e., students who attend a choice district with grades that terminate before 12 th grade and with a natural progression to this choice district), provided they will enroll in a choice-approved grade/program and they meet any program-specific criteria.	N/A
d. The district gives enrollment preference to resident students who move <u>before the application deadline</u> . If resident students move and file choice applications for the following year prior to the deadline, the district will give them enrollment preference (i.e., accept them ahead of other applicants, but after the enrollment preference students described in b. and c. above), PROVIDED that there are choice seats available in the choice-approved grades/programs and the students meet any program-specific criteria. <i>If the district has already reached its approved choice enrollment maximum, this preference will not apply.</i>	YES
e. The district gives special consideration to resident students who move <u>after</u> the application deadline. Students in this situation may apply as late applicants and be added to the front of the district's waitlist, PROVIDED the students will enroll in a choice-approved grade/program and they meet any program-specific criteria. No additional choice seats above the maximum will be approved by the NJDOE to accommodate these students.	YES

TRANSPORTATION NOTE TO PARENTS:

Transportation of choice students is not guaranteed. If a student is eligible for transportation (within 20 miles of the school) and the cost will exceed \$884, the parent/guardian will be given \$884 as aid in lieu of transportation and, in some cases, the option of receiving the transportation and paying the additional amount over \$884. By August 1, 2017, parents should receive notification of their transportation options from the resident district. For more information, read the Choice School Transportation Procedures which can be found at http://www.state.nj.us/education/finance/transportation/procedures/choice_proc.pdf.

Tier 1 students are students who are enrolled in a NJ public school in their resident school district during the time of application and for the entire year (2016-17) immediately preceding enrollment in a choice district. If a student moved during the school year and attended the resident public school of his/her old district of residence, he/she is also considered Tier 1. Choice districts must first fill their available seats with Tier 1 students. If the number of Tier 1 applications exceeds the number of choice seats available, the choice district must hold a lottery to randomly select students. Charter school students are considered to be Tier 1. To qualify as Tier 1 for kindergarten, a student must be attending a state-funded preschool in his or her resident district, or a student resides in a district that does not offer a state-funded preschool program, or a student has a sibling currently attending the choice district. Most students applying for kindergarten are in Tier 1.

Tier 2 students include NJ residents who have not attended their resident public school for the entire year immediately prior to enrollment in the desired choice district and do not otherwise meet the requirements for Tier 1. This would include students who have been attending public school outside their districts of residence or private school. Choice districts are not obligated to accept Tier 2 students. If a choice district accepts Tier 2 applicants, they may do so only after all of the qualified Tier 1 applicants have been accepted. If the number of Tier 2 applications exceeds the number of choice seats available, the choice district must hold a Tier 2 lottery to select students.
